Plain End Aluminum Hose Tube

Kroy Industries offers a full line of Aluminum Hose Tubes. When Aluminum Tube leaves our plant, it has passed some of the strictest test procedures in the industry. We test pipe during each step of the manufacturing process as well as the finished product. Kroy has spent over sixty years perfecting Aluminum Tube manufacturing and during this time, we have learned how to be efficient without sacrificing quality. Our efficiency means we are able to deliver products around the world when it is needed.
